

WHY/HOW

PAYPAL

Why PayPal?

01

As of 2019, PayPal operates in 202 markets and has 286 million active, registered accounts.

02

PayPal allows customers to send, receive, and hold funds in 25 currencies worldwide.

03

The customer may file a buyer complaint if he or she did not receive an item or if the item he or she purchased was significantly not as described.

04

In early 2006, PayPal introduced an optional security key as an additional precaution against fraud.

05

PayPal Seller Protection Policy is intended to protect the seller from certain kinds of chargebacks or complaints if the seller meets certain.

Requirements to sign up a PayPal account

Email

The Email address would be your PayPal account.

Credit Card

In order to verify your PayPal account, you need have a Credit Card.

Internet

Open the PayPal.com or PayPal App, you can sign up a free account quickly.

PayPal Invoice

PayPal Invoice is a billing service, it works just like a paper invoice, and clients will be able to pay directly using credit cards or funds in their PayPal accounts.

Steps

01 STEP

Notice us you want to use PayPal/Credit Card

We need the follow info:

- PayPal account
- Delivery address, could not be a POX address

Login your PayPal account to check the PayPal invoice

03
STEP

Finish the payment

Please use your credit card or funds in your PayPal account to finish the payment. If you have any question about how to finish the payment, please contact with PayPal.com directly. The payment we accept must fit the PayPal Seller Protection Policy, else we will refund.

Cost

01

4.4% + \$0.30

PayPal will charge 4.4% + usd\$0.3 as transaction fee for each transaction.

02

\$35

PayPal will charge usd\$35 for each withdraw

Our quoted fees are for products and delivery only, so if you want to use the PayPal/Credit Card to finish the payment, you would be asked to pay for the PayPal transaction fee. For example: if the amount of your order is \$100, then you need to pay total: $(100 + 0.3)/(100\% - 4.4\%) = \104.92 . And we will pay the withdraw cost.
